

Come on
I am sure that
You can do better
So give it a try!!

Your Pictures Wanted

Come join in the Fun

Just bring along that favourite
Fish Hobby related Picture or
picture of a fish and you could
Be leaving with a prize.
For details see inside

It is dead simple all you have to do is bring along your favourite fishy pictures.

Then enter it at the bottom of your entry form just as if it was another fish entry, but instead putting in a class as there is not an Official F.B.A.S. Class for these entries just write Photo where it says Class

Then when you get your stickers for this class just stick it on the back, as the person booking in will have given it a number to identify it to us just as yours like the fish.

These entries will cost the same as for the fish and will count towards being one of your entries if you are bringing more than 10 entries as you only pay for the first 10 entries in the show any way after that any entries extra will be free

And as I said before there will be a prize for first place, and cards from first to fourth place in that class.
